

BSM Parents' Association Newsletter

Newsletter 22nd November 2010

Who are the PA?

The Parents' Association is alive and kicking at BSM. We are a group of volunteer parents who want to organise social events and activities to bring together parents, children and teachers in the school to have fun and at the same time raise some funds for the school.

We held a very successful Halloween Party at the end of October. We would like to thank all those who contributed to making it such a successful evening for the children. It was great to see so many senior children getting involved too and having fun.

We managed to raise 149 Riyals as well as providing the children with plenty of food, cakes, donuts, sweetie treats, some great new decorations and a little goodie bag to go home with.
