Dear Parents,

I have been very proud of the achievements of our students in my first half term as Principal at the British School – Muscat (BSM). In response to parental feedback we have produced two newsletters, one for Primary School and one for the Senior School which you will have been emailed today. Please click here for the Primary newsletter <http://www.britishschoolmuscat.com/docs/news/newsletters/november2011/1st-edition-primary.pdf> and please click here for the Senior newsletter <http://www.britishschoolmuscat.com/docs/news/newsletters/november2011/1st-edition-senior.pdf> In addition to the high quality of teaching and learning that is taking place on a daily basis within the school timetable, the two newsletters celebrate some of the terrific extra - curricular activities that our students have been involved in during September and October.

It has been a pleasure to meet so many parents both informally and formally in my first half term. I am grateful for the feedback that I have received from parents at events such as the Meet and Greet evenings and the coffee mornings and evening. These comments, along with the ideas that parents are raising in individual conversations with me, are all part of my consultation with the school community in my first 100 days as Principal at BSM. The aim is that, following this extensive consultation with parents, students and staff, I draw up the BSM School Development Plan 2012-15 for board approval in early 2012.

The students have worked hard over this half term and are ready for a break. I hope that you all can enjoy a restful half term holiday before school resumes on Saturday 12<sup>th</sup> November.

Yours sincerely,

Kai Vacher  
Principal
