

Exemplary Achievement & Standards For Every Key Stage in 2008

Congratulations!

I am absolutely delighted to report that the vast majority of our pupils made very good progress and reached standards of attainment that are above the national standards for England at every level. Some of these achievements are outstanding, as you will see from the results below.

I thank our members of staff and parents for their combined efforts and congratulate our pupils upon their successes.

Key: L - National Curriculum Level;
 National - National average in England in 2008;
 Blue – BSM result
 Black – At national average
 Green – Above national average
 Red – Below national average

*As a result of external marking and administration problems by the company employed to mark the SATs English papers our L5+ results are lower than usual. We are expecting our number of Level 5s to increase following a remark of some papers.

** Exemplary performance.

Many Congratulations & Well Done Everyone!
