

Day 3

The inclement weather we have been experiencing in Muscat has found its way to Dibba unfortunately and today has been a little chilly with some fine drizzle at times. However this hasn't deterred Year 6 from having a good time and they have all continued to display enthusiasm and interest in each new activity.

The children obviously took careful notice of the packing list as they have all brought suitable clothing and none are complaining of being cold.

Most of the activities have gone ahead with one group replacing kayaking with team games on the beach as the water became a little choppy in the afternoon. Special mentions today go to:

Kayaking

- Mia G and Alexander Mc Robbie for demonstrating a good skills
- Jack Staples for displaying strong leadership teams supporting his team during the raft building activity

GPS

- Kris, Dylan and Lyam for excellent listening and effective teamwork
- William, James and Grant for being the first ones back in their group activity, proving they had a clear understanding of how to use GPS

Climbing wall and abseiling

- Hyeon and Lucy for the effort and determination they showed when completing the climbing wall
- Yousuf for showing determination and perseverance on the climbing wall
- Kate for being a little star!
- Edwin for completing the most difficult route up the climbing wall
- Megan for overcoming her initial nerves and showing great determination to succeed. It paid off as she successfully completed both tasks

Mountain biking

- Barnaby, Jack Maclean and Mia K for showing aptitude and confidence whilst mountain biking
- Georgina and Tom for taking time to help others taking part in this activity and displaying skill themselves when they completed the course
- Safya,- although she took a while to master the brakes she was determined to succeed in this event and her perseverance paid off as she successfully completed the course

Team games on the beach

- Boyana for being an effective and positive team member
- Luke Robinson for making Mr Colbourn smile!

More news tomorrow, have an enjoyable evening.

Lynda Haynes
Head of Primary
