Dear Parents,

Wahiba Crossing for Charity

I am writing to inform you that on Thursday 17th December, one of our parents, Mrs Mandy Hendry will be attempting to cross the Wahiba Sands on her Honda 450cc motorbike. She will be completing a 178km route.

If (or when) successful she will become the first woman to have completed this journey on a motorbike and we wish her the very best of luck!

Mrs Hendry has offered to undertake this challenge for charity and has offered to donate all monies raised to one of our school charities National Cancer Awareness of Oman.

If you would like to sponsor Mandy, and raise money for a very important charity you can:

- Reply to this email stating your name, gsm number and total amount that you wish to donate
- Complete a sponsorship form (available in the primary, senior and main offices)
- Collect a form from the primary office to take away and return once completed.

So far Mandy has received pledges of over OR 300, it would be great if we could raise OR 1000.

We will collect the money during the first week of next term.

May I take this opportunity to wish you all a Merry Christmas and a Happy New Year.
