26th September 2009

Dear Parents

Nursery – Take Home Beat Babies

On Saturday September 26th the children in both Nursery classes will meet our new additions the *Take Home Beat Babies*. During the term your child will bring home one of the *Take Home Beat Babies* to spend a night with you and your family. We are sure the children will enjoy bringing this special visitor home with them. When *Take Home Beat Baby* comes home she will have a letter for you in the pouch on her tummy. Please read this as it will ask you to do something with your child or tell you about something we have been doing in Nursery. It is important that *Take Home Beat Baby* returns to Nursery the next day with your child as we will be talking about the fun she had at your house. We hope that this will prove to be an enjoyable activity for you and your child and will provide you with further information about the fun and learning that takes place during our Nursery day.

Sincerely,

Mrs Benjamin
Nursery Leader
