To: All Senior School Parents

Dear Parents,

## **Class Contacts**

Thank you for your support if you acted as a class contact last year. As you know, this is an important role and your help was extremely valuable. I hope, therefore, that you will continue to act as class link for your child's new class this year.

The class contacts do a wonderful job in welcoming new parents and supporting the school in many different ways. One of their key roles includes being part of an emergency contact tree should the school be forced to close for any reason. If this happens then it is the class contacts' responsibility to inform the other parents in their child's Tutor Group. The role does not involve much of your time but is vitally important to the school.

If you are interested in volunteering to be a class contact please contact the Senior School Office and speak to Jackie, and if you were a class contact last year, would you please confirm with Jackie whether you are able to continue in this role. We would greatly appreciate your assistance.

Yours sincerely,

Paul Keach  
Head of Senior School
