

The British School - Muscat

'An Outstanding School' - Inspectors 2009

Founded under Royal Charter, 1973

To: All Reception Parents

7th September 2009

Dear Parents

We are thrilled at how well the previous Nursery children have settled into Reception. We feel it has been a great start to our school year. We would like to welcome our new families and look forward to getting to know all of you and your children. The last day for the staggered entry will be Saturday 12th September. Then we shall have our full complement of our current classes.

Start of the Day and Home Time

Could I politely remind parents that the school day starts at 7:30am. The signal for entering the building is a bell. Kindly bring your children into school after the bell has rung each morning. If you wish to talk with your child's teacher about any concerns, we have scheduled time at the beginning of each day to allow chance for a chat. You can also talk with us at collection time.

At home time you collect your child from their class base in the KS1 playground. Please can I ask you to help the children by standing at the outer edges of the area, rather than in the middle? This would help the flow of movement from the classrooms to class bases.

Specialist lessons: Timetable

Specialist lessons do not start until the children are all settled. The time is given to allow the children and specialist teachers to get to know each other. This takes a few weeks. You will receive your child's timetable when the lessons are due to start. We shall be giving information about specialist lessons at our Meet and Greet meeting.

We look forward to seeing you at the Meet and Greet evening. Please indicate below whether you shall be attending as we would like to have an idea of numbers in order to organise the venue accordingly. We request that children do not attend this meeting.

Sincerely,

Gail Venus
Reception Year Leader
